#### **PRICELIST - EFFECTIVE MAY 2024**

A MECHANICAL TESTING  1. Tensile Test 2. Plugging Charges for Tube Tensile 3. Tensile Test with 0.2% & 1.0% Proof Stress & 0.5% Extension Under Load 4. Stress-Strain Proof Stress Diagram 5. Tensile Test at elevated temperature (Hot Tensile) up to 400 °C 6. Tensile Test on Pre-Machined Specimen 7. Tensile Test for TMT Bars up to 16mm 8. Tensile Test for TMT Bars above 16mm (up to 32mm) 9. Tensile Test on Full Section (25mm to 45mm) 10. Weight per Meter for TMT Bars/Sections/Shapes 11. Rebend Test on TMT Bars above 16mm (up to 32mm) 12. Rebend Test on TMT Bars above 16mm (up to 32mm) 13. Through Thickness Tensile Test 14. Shear Test on Cladded Plate 15. Shear Test on Bolts/Studs/Tie Rods 16. Erichsen Cupping Test 17. Nick Break Test 18. Bend Test on Plates/Sections up to 30mm thick 19. Bend Test on Plates/Sections above 30mm thick 20. Proof Load Test - for Nuts - aup to 400kN 21. Proof Load Test - for Nuts - above 400kN 22. Flaring/Flattening/Crushing Test 23. 90°/180° Bend on Pipes/Tubes 24. Pull Out/Compression Test on Clamps/Chain/Blocks 25. Pull Out/Compression Test on Clamps/Chain/Blocks 26. Pull Out/Compression Test on Clamps/Chain/Blocks 27. Tear Test on Mock Up (Tube-to-Tubesheet Joint) 28. Minimum Leak Path (MLP) Measurement on Mock Up (Tube-to-Tubesheet Joint) 29. Fracture Test on Fillet Welded Test Coupon 30. Macroetch Test on Fillet/Plate Welded Test Coupon 31. Dimensions/Measurement Test	₹140 ₹100 ₹330 ₹50 ₹2,500 ₹2,500 ₹250 ₹220 ₹300 ₹425 ₹100 ₹180 ₹225 ₹200 ₹375 ₹325

#### **TERMS & CONDITIONS**

- 1. We at ReliTest Services LLP (henceforth, RTS) strive hard to service our customer with sincerity, performing testing as per stated or implicitly understood standards & specifications. Relevant condition(s) stated in the Test Certificate shall apply.
- 2. Interpretation & remarks contained in the test reports are based upon implicit request from customer(s) or their agents. These interpretations are always objective. As Acceptance or Rejection criterion is the sole responsibility of customer(s) or their agents & as such RTS and their officers, employees or directors shall not be held liable under any circumstances. Test reports issued by RTS relates only to the sample/test piece submitted to RTS for testing.
- 3. Any discrepancies observed in the test report shall be brought to our notice **immediately upon receipt or within 7 days** for amendment(s). If a Third Party Inspection Agency (TPIA) had witnessed the tests, the amendment request has to be approved by the TPIA.
- 4. **Certificate Amendments:** A written request for amendment(s) will have to be made on the customer letter head (or an Email from an authorized representative). Requested changes or amendments that are feasible & admissible only will be made and such decision will be taken by us which will be binding upon the customer. Amendment tests reports will be on chargeable basis at ₹100 per Lab Report/TC. Original reports along with the copies **MUST** be submitted to RTS.
- 5. RTS preserves tested samples for a period of 15 days only. Customer who desires to take back the balance of materials and/or tested samples should make their own arrangements and at their own cost within 15 days to collect them from RTS with prior appointment. A written request (or an email) from an authorized person, is mandatory for the request to pick up the materials and/or tested samples.
- 6. **Test Request:** Customers are requested to send all samples/items for testing to the lab with a test request letter or on the RTS Lab Test Requisition Form (which can be downloaded from our website) with a clearly identifying the test items, specification & tests required. Unless the tests are mentioned, it will be presumed that all tests given in the referred specification are to be performed.
- 7. We follow first-in-first-out sequence in testing for all the samples received at our facilities. Urgency charges (additional 50%) shall be charged for any samples required to be tested urgently or out-of-turn sequence.
- 8. No part of the report/T.C. can be reproduced without prior written (or an email) request and confirmed written (or an email) approval from RTS. Whenever reproduced, the same should be reproduced in FULL, whenever necessary and at the risk and peril of the customer. RTS shall not be liable for any such reproduction.
- 9. RTS issues only a SINGLE original copy of the test report/T.C. Any additional copies of reports shall be provided at ₹100 per Lab Report/T.C. with "DUPLICATE COPY" stamped on the additional copies.
- 10. Additional cutting charges may be levied for high thickness/hard materials at the sole discretion of the lab.
- 11. Prices are subject to change without any prior intimation or notice. It is expected that customers go through the pricelist and conditions before submitting materials to RTS for testing. Once the material is tested, invoicing will be done as per pricelist prevalent at the time of invoicing. Our latest pricelist is uploaded on our website at <a href="https://www.relitest.com">www.relitest.com</a>. Customers are advised to follow the latest pricelist or the latest quotations received by email from our accounts team members.
- 12. Any Interpretation of standard/specification/ITP/QAP or drawings submitted by customer and identification of the tests will be charged at ₹400 per standard/specification/ITP/QAP or drawings.
- 13. Acceptance of Terms & Condition: Acceptance of even one test certificate by the customer shall imply that the customer agrees to abide by the terms & condition mentioned in this document.
